

WARMBLOOD ANGLE LOADS

The Tuza Warmblood Angle Load has been designed for larger horses. The Warmblood design comes standard with extra large bays and head room, together with the premium independent torsion bar suspension backed by Australia's first 10-year warranty, this horse float will give your horses a comfortable ride to any event. Eliminating the fatigue factor in transportation and ensuring they will come off the float ready to perform. *Champions prefer TUZA!*
