

TUZA
AUSTRALIAN MADE & OWNED SINCE 1964

RACING ANGLE LOADS

Tuza Racing Angle Load has been designed to suit the Race Horse Industry. This design comes standard with larger bays, extra headroom, rubber drop-down protectors on centre dividers, and rubber-lined kickboards to the rump side. With these standard features and the premium independent torsion bar suspension backed by Australia's first 10-year warranty, this design will give your racehorses a comfortable ride to the racetrack, eliminating the fatigue factor in transportation and ensuring they will come off the float ready to perform. *Champions prefer TUZA!*
