TUZA WARRANTY

2year Factory-backed Warranty on Parts and Workmanship,

5 Year Factory-backed Warranty on Suspension

Warranty explained:

1. Tuza Warranty Is effective from the purchase date of a New TUZA horse float (warranty is not included when purchasing a 2nd hand float from TUZA)
2. Tuza warranty covers any manufacturing technical defect within the warranty time frame. Warranty for Workmanship and parts is within 2 years and warranty for the Tuza Suspension is within 5 years from the when the trailer was purchased.
3. Tuza warranty does not cover defects caused from misuse or other reasons other than manufacturers defect.
4. Tuza warranty is factory backed, meaning if the trailer is needing repair or replacement of parts it will need to return to the factory to be completed. Tuza are not responsible for the cost of transport to get the trailer back to the Tuza factory.
5. TUZA may agree to another party repairing the trailer if getting back to the factory is not possible. However respectable quotes will need to be reviewed and agreed upon by Tuza prior to another party working on the trailer.
6. Warranty is void if repairing without out Tuza's consent is completed.
